

2027-2028 International Student Enrollment Guide

2027-2028 Academic Year International Student Enrollment Guide

I. Application Time December 1, 2026 to June 30, 2027

II. Basic Application Requirements

Applicants must be non-Chinese citizens holding a valid foreign passport, friendly towards China, and in good physical and mental health.
Bachelor's applicants should have a high school diploma equivalent to a Chinese general high school graduation or higher;
Master's applicants should have a bachelor equivalent to a Chinese Bachelor's degree or higher;
Doctoral applicants should have a master equivalent to a Chinese Master's degree or higher;
Meet other application conditions stipulated by the state.

III. Application Website ic.cumt.edu.cn

IV. Application Materials

Passport Photo Passport Passport information Page (Valid for more than one year. Students already in China must also provide a copy of their visa or residence permit page)	**Final Degree Certificates Final Degree Transcripts**	**Chinese Proficiency Certificate** (For Chinese-taught programs, HSK 4 ≥ 210)	**English Proficiency Certificate** For English-taught programs: IELTS ≥ 6.0 or TOEFL ≥ 85 or Duolingo ≥ 110
Foreigner Physical Examination Form Non-criminal Record Report (Valid within 6 months)	**Two Recommendation Letters** Master's and Doctoral applicants (written only in Chinese or English from professors or associate professors) shall be submitted	**One Acceptance Letter** Master's and Doctoral applicants	**CSCA Score Report** ①Bachelor's applicants must submit the score report of corresponding subjects as required by the program ②

Note: All the above application materials should be in Chinese or English. For materials in other languages, notarized translations in Chinese or English must be provided.
Applications with incomplete materials will not be admitted.

V. Costs

Items	Chinese Language Program	Bachelor's Program	Master's Program	Doctoral Program
Application Fee		¥ 400/ $ 60		
Tuition /Academic Year	¥ 12,000	BA: ¥ 13,800 BS: ¥ 14,600	MA: ¥ 15,400 MS: ¥ 16,200	¥ 17,000
Accommodation /Academic Year	¥ 2000-8000 (depending on the room type)			
Medical Insurance /Year	¥ 890 or ¥ 690			

Note: The review of student application materials will commence upon confirmation of receipt of the application fee.

VI. Scholarships

(1) Chinese Government Scholarship (Bilateral Program) - Type A
An applicant shall file an application with the dispatching department of their home countries.
(2) Chinese Government Scholarship (Chinese University Program) - Type B
An applicant shall file an application with CUMT undertaking this program.
CUMT Agency No.: 10290. For more information, please visit the CSC website: https://www.campuschina.org
(3) CUMT Scholarship

Student Type	Classes	Funding Standard /Academic Year
Bachelor's	Class A	Tuition fees (100%)
	Class B	Tuition fees (50%)
Master's/ Doctoral	Class A	Tuition Fees (100%), Accommodation fee*, Living allowance (¥1000/month)*
	Class B	Tuition Fees (100%), Accommodation fee*

* The scholarship is valid for one academic year and is assessed annually. International students can apply for the scholarship for the following year based on their academic performance and daily conduct during the current academic year.
*Accommodation fees are sponsored at the twin-room standard; living allowances are distributed for 10 months per year.

VII. Visa Application & Registration

① Visa Application Preparation Materials:
Passport、Admission Notice
Confirmation Form for Study in China (JW202)/JW202)/Information Form for Foreign Students' Short-term Visit (JD)
Foreigner Physical Examination Form
Please take the above basic materials and any other documents required by the Chinese embassy/consulate in your country to apply for a student visa (X1/X2).

② Registration
Registration Dates: August 30 to September 1, 2027
Please register at CUMT within stipulated time.
After registration, the original copies of the final degree certificate, transcript, Foreigner Physical Examination Form, Non-criminal Record Report, and language proficiency certificate will be verified.

CSCA Test

Starting in the 2026-2027 academic year, applicants for CUMT bachelor's degree programs are required to submit the score report for the required subjects of the "China Scholastic Competency Assessment (CSCA)".
The test subjects for the CSCA are as follows:
① Humanities Chinese ② STEM Chinese ③ Mathematics ④ Physics ⑤ Chemistry
*The majors and related requirements for inter-institutional cooperative education programs are specified in the cooperation agreement.

Programs Taught in Chinese

Departments	Undergraduate Programs (4 years)	Master Programs (3 years)	PhD Programs (4 years)
School of Mines	Mining Engineering(2)(3)①	081901 Mining Engineering	081900 Mining Engineering
School of Mechanics & Civil Engineering	Engineering Mechanics(2)(3)①	080100 Mechanics	080100 Mechanics
	Civil Engineering(2)(3)①	081400 Civil Engineering	081400 Civil Engineering
	Building Environment and Energy Application Engineering(2)(3)①		
	Engineering Management(2)(3)①		
School of Mechanical and Electrical Engineering	Mechanical Engineering(2)(3)①	080200 Mechanical Engineering	080200 Mechanical Engineering
School of Information and Control Engineering	Electronic and Information Engineering(2)(3)①	081000 Information and Communication Engineering	081000 Information and Communication Engineering
	Automation(2)(3)①	081100 Control Science and Engineering	081100 Control Science and Engineering
School of Resources and Geosciences	Geology Engineering(2)(3)①	070500 Geography	081800 Geological Resources and Geological Engineering
	Hydrology and Water Resources Engineering(2)(3)①	070800 Geophysics	
	Resource Exploration Engineering(2)(3)①	070900 Geology	
	Geophysics(2)(3)①	081500 Hydraulic Engineering	
		081801 Mineral Resource Prospecting and Exploration	
	Earth Information Science and Technology(2)(3)①	081802 Geodetection and Information Technology	
		081803 Geology Engineering	
School of Chemical Engineering & Technology	Chemical Engineering and Technology(2)(3)①	070300 Chemistry	081700 Chemical Engineering and Technology
		080700 Power Engineering and Engineering Thermophysics	
	Mineral Processing Engineering(2)(3)①	081700 Chemical Engineering and Technology	081902 Mineral Processing Engineering
		081902 Mineral Processing Engineering	
School of Environment and Spatial Informatics	Environmental Engineering(2)(3)①	081600 Science and Technology of Surveying and Mapping	081600 Science and Technology of Surveying and Mapping
	Geomatics Engineering(2)(3)①		
	Geographical Information Science(2)(3)①	083000 Environmental Science and Engineering	083000 Environmental Science and Engineering
	Remote Sensing Science and Technology(2)(3)①		
School of Electrical Engineering	Electrical Engineering and Automation(2)(3)①	080800 Electronical Engineering	080800 Electronical Engineering
School of Low-Carbon Energy and Power Engineering	Energy and Power Engineering(2)(3)①	080103 Fluid Mechanics	080103 Fluid Mechanics
		080700 Power Engineering and Engineering Thermophysics	
School of Materials Science and Physics	Materials Science and Engineering(2)(3)①	080500 Materials Science and Engineering	070200 Physics
	New Energy Materials and Devices(2)(3)①		
	Applied Physics(2)(3)①	070200 Physics	
School of Mathematics		070100 Mathematics	070100 Mathematics
School of Computer Science and Technology / School of Artificial Intelligence	Artificial Intelligence(2)(3)①	081200 Computer Science and Technology	081200 Computer Science and Technology
School of Economics and Management	Finance(1)(2) ③	020200 Applied Economics	120100 Management Science and Engineering
	Marketing(1)(2) ③	120100 Management Science and Engineering	
	Accounting(1)(2) ③	120202 Enterprise Management	
	Human Resource Management(1)(2) ③		
	Electronic Commerce(1)(2) ③	120204 Technical Economics and Management	
	Big Data Management and Application(1)(2) ③		

Departments	Undergraduate Programs (4 years)	Master Programs (3 years)	PhD Programs (4 years)
School of Public Policy & Management School of Emergency Management	Public Administration(1)(2) ③	120401 Public Administration	120401 Public Administration
	Emergency Management(1)(2) ③	120403 Educational Economics and Management	120403 Educational Economics and Management
	Land Resources Management(1)(2) ③	120405 Land Resources Management	120405 Land Resources Management
		120423 Emergency Management	120423 Emergency Management
School of Foreign Studies	English(2)(3) ③		
School of Architecture & Design	Architecture (5 years) ②③①	081300 Architecture	081300 Architecture
	Industrial Design(2)(3)①	083300 Urban and Rural Planning	
	Environmental Design(2)(3) ①	140300 Design	
	Urban and Rural Planning (5 years) ②③①		
School of Sports	Sports Training(1)(2) ③	040300 Sports Science	
	Social Sports Instruction and Administration(1)(2) ③①		
State Key Laboratory of Intelligent Construction and Healthy Operation and Maintenance of Deep Underground Engineering			080100 Mechanics
			081400 Civil Engineering

Programs Taught in English

Departments	Undergraduate Programs (4 years)	Master Programs (3 years)	PhD Programs (4 years)
School of Mines	Mining Engineering③①	081901 Mining Engineering	081900 Mining Engineering
School of Safety Engineering	Safety Engineering③①	083700 Safety Science and Engineering	083700 Safety Science and Engineering
School of Mechanics & Civil Engineering		081400 Civil Engineering	
School of Mechanical and Electrical Engineering	Mechanical Engineering③①	080200 Mechanical Engineering	080200 Mechanical Engineering
School of Environment and Spatial Informatics		081600 Science and Technology of Surveying and Mapping	081600 Science and Technology of Surveying and Mapping
		083000 Environmental Science and Engineering	083000 Environmental Science and Engineering

School of Low-Carbon Energy and Power Engineering		080103 Fluid Mechanics	
		080700 Power Engineering and Engineering Thermophysics	
School of Architecture & Design	Architecture (5 years) ③①		081300 Architecture

Chinese Training Program (one academic year)

Elementary Class
(Zero foundation - HSK 4, CSCA)

Intermediate Class*
(HSK 3 foundation - HSK 4, CSCA)

*Applicants for the intermediate class must provide a valid HSK Level 3 certificate.

No. 41
in China (QS World University Rankings 2026)

No.1
in China for Mining Engineering, Safety Science and Engineering.

ESI top 1‰
in 4 Disciplines: Engineering, Geosciences, Environment / Ecology, and Chemistry.

ESI top 1%
in 10 Disciplines total, including Materials Science, Chemistry, Mathematics, Computer Science, Social Sciences(general), Physics, and Biology & Biochemistry.

Founded in 1909

Xuzhou

CUMT is located in Xuzhou, the northernmost city in Jiangsu province.

History

With 5,000 years of history, Xuzhou is the birthplace of Han Dynasty culture and is home to a wealth of cultural heritage sites and famous historical monuments.

Traffic

The city's modern transportation network includes 2 high-speed railway stations, 1 airport, and 4 metro lines. It takes only 2.5 hours from Xuzhou to Beijing or Shanghai by high-speed train.

Life

With its excellent infrastructure and low cost of living, Xuzhou has been named China's "Happiest City" 5 times, making it the only city to have received this honor so many times.

XUZHOU
