

2026-2027 Academic Year International Student Enrollment Guide

I. Application Time March 1, 2026 to July 10, 2026

II. Basic Application Requirements

Applicants must be non-Chinese citizens holding a valid foreign passport, friendly towards China, and in good physical and mental health.
Bachelor's applicants should have a high school diploma equivalent to a Chinese general high school graduation or higher;
Master's applicants should have a bachelor equivalent to a Chinese Bachelor's degree or higher;
Doctoral applicants should have a master equivalent to a Chinese Master's degree or higher;
Meet other application conditions stipulated by the state.

III. Application Website ic.cumt.edu.cn

IV. Application Materials

Passport Photo Passport Passport Information Page (Valid for more than one year; students already in China must also provide a copy of their visa or residence permit page)	Final Degree Certificates Final Degree Transcripts	Chinese Proficiency Certificate (For Chinese-taught programs, HSK 4 ≥ 210)	English Proficiency Certificate For English-taught programs, IELTS ≥ 6.0 or TOEFL ≥ 85 or Duolingo ≥ 110
Foreigner Physical Examination Form Non-criminal Record Report (Valid within 6 months)	CSCA Score Report (Bachelor's applicants must submit the score report of corresponding subjects as required by the program.)	One Acceptance Letter Master's and Doctoral applicants	Two Recommendation Letters Master's and Doctoral applicants (written only in Chinese or English from professors or associate professors) shall be submitted.

Note: All the above application materials should be in Chinese or English. For materials in other languages, notarized translations in Chinese or English must be provided. Applications with incomplete materials will not be admitted.

V. Costs

Items	Chinese Language Program	Bachelor's Program	Master's Program	Doctoral Program
Application Fee		¥ 400/ \$ 60		
Tuition /Academic Year	¥ 12,000	BA: ¥ 13,800 BS: ¥ 14,600	MA: ¥ 15,400 MS: ¥ 16,200	¥ 17,000
Accommodation /Academic Year		¥ 3,000 (twin room)		
Medical Insurance /Year		¥ 890 or ¥ 690		

Note: The review of student application materials will commence upon confirmation of receipt of the application fee.

VI. Scholarships

- (1) Chinese Government Scholarship (Bilateral Program) - Type A
An applicant shall file an application with the dispatching department of their home countries.
(2) Chinese Government Scholarship (Chinese University Program) - Type B
An applicant shall file an application with CUMT undertaking this program.
CUMT Agency No.: 10290. For more information, please visit the CSC website: <https://www.campuschina.org>
(3) CUMT Scholarship

Student Type	Classes	Funding Standard /Academic Year
Bachelor's	Class A	¥ 13,800 / ¥ 14,600
	Class B	¥ 6,900 / ¥ 7,400
Master's/ Doctoral	Class A	¥ 28,400/ ¥ 29,200 / ¥ 30,000
	Class B	¥ 18,400/ ¥ 19,200 / ¥ 20,000

* The scholarship is valid for one academic year and is assessed annually. International students can apply for the scholarship for the following year based on their academic performance and daily conduct during the current academic year.

VII. Visa Application & Registration

(1) Visa Application Preparation Materials: Passport, Admission Notice Confirmation Form for Study in China (JW201/JW202)/Information Form for Foreign Students' Short-term Visit (00) Foreigner Physical Examination Form Please take the above basic materials and any other documents required by the Chinese embassy/consulate in your country to apply for a student visa (X1/X2).	(2) Registration Registration Dates: September 2 to 3, 2026 Please register at CUMT within stipulated time. After registration, the original copies of the final degree certificate, transcript, Foreigner Physical Examination Form, Non-criminal Record Report, and language proficiency certificate will be verified.
--	--

CSCA Test

Starting in the 2026-2027 academic year, applicants for CUMT bachelor's degree programs are required to submit the score report for the required subjects of the "China Scholastic Competency Assessment (CSCA)".
The test subjects for the CSCA are as follows:
① Humanities Chinese ② STEM Chinese ③ Mathematics ④ Physics ⑤ Chemistry

*Applicants for bachelor's programs in the School of Humanities and are required to participate in an interview.
*The majors and related requirements for inter-institutional cooperative education programs are specified in the cooperation agreement.

Programs Taught in Chinese

Departments	Undergraduate Programs (4 years)	Master Programs (3 years)	PhD Programs (4 years)
School of Mines	Mining Engineering②③④	081901 Mining Engineering	081900 Mining Engineering
		081921 Design and Plan for Resource Development	
School of Mechanics & Civil Engineering	Engineering Mechanics②③④	080100 Mechanics	080100 Mechanics
	Civil Engineering②③④	081400 Civil Engineering	081400 Civil Engineering
	Building Environment and Energy Application Engineering②③④		
	Engineering Management②③④		
School of Mechanical and Electrical Engineering	Mechanical Engineering②③④	080200 Mechanical Engineering	080200 Mechanical Engineering
School of Information and Control Engineering	Electronic and Information Engineering②③④	081000 Information and Communication Engineering	081000 Information and Communication Engineering
	Automation②③④	081100 Control Science and Engineering	081100 Control Science and Engineering
School of Resources and Geosciences	Geology Engineering②③④	070500 Geography	081800 Geological Resources and Geological Engineering
	Hydrology and Water Resources Engineering②③④	070800 Geophysics	
	Resource Exploration Engineering②③④	070900 Geology	
	Geophysics②③④	081500 Hydraulic Engineering	
	Earth Information Science and Technology②③④	081801 Mineral Resource Prospecting and Exploration	
		081802 Geodetection and Information Technology	
		081803 Geology Engineering	
School of Chemical Engineering & Technology	Chemical Engineering and Technology②③⑤	070300 Chemistry	081700 Chemical Engineering and Technology
	Mineral Processing Engineering②③⑤	080700 Power Engineering and Engineering Thermophysics	081902 Mineral Processing Engineering
		081700 Chemical Engineering and Technology	
		081902 Mineral Processing Engineering	
School of Environment and Spatial Informatics	Environmental Engineering②③④	081600 Science and Technology of Surveying and Mapping	081600 Science and Technology of Surveying and Mapping
	Geomatics Engineering②③④	083000 Environmental Science and Engineering	083000 Environmental Science and Engineering
	Environmental Science②③④		
	Geographical Information Science②③④		
	Remote Sensing Science and Technology②③④		
School of Electrical Engineering	Electrical Engineering and Automation②③④	080800 Electronical Engineering	080800 Electronical Engineering
School of Low-Carbon Energy and Power Engineering	Energy and Power Engineering②③④	080103 Fluid Mechanics	080103 Fluid Mechanics
		080700 Power Engineering and Engineering Thermophysics	
School of Materials Science and Physics	Materials Science and Engineering②③⑤	080500 Materials Science and Engineering	070200 Physics
	New Energy Materials and Devices②③④	070200 Physics	
	Applied Physics②③④		
School of Mathematics		070100 Mathematics	070101 Fundamental Mathematics
			070104 Applied Mathematics
School of Computer Science and Technology / School of Artificial Intelligence	Artificial Intelligence②③④	081200 Computer Science and Technology	081200 Computer Science and Technology
School of Economics and Management	Finance①/② ③	020200 Applied Economics	120100 Management Science and Engineering
	Marketing①/② ③	120100 Management Science and Engineering	
	Accounting①/② ③	120202 Enterprise Management	
	Human Resource Management①/② ③	120204 Technical Economics and Management	
	Electronic Commerce①/② ③		
	Big Data Management and Application①/② ③		

Departments	Undergraduate Programs (4 years)	Master Programs (3 years)	PhD Programs (4 years)
School of Public Policy & Management School of Emergency Management	Public Administration①/② ③	120401 Public Administration	120401 Public Administration
	Emergency Management①/② ③	120403 Educational Economics and Management	120403 Educational Economics and Management
	Land Resources Management①/② ③	120405 Land Resources Management	120405 Land Resources Management
		120423 Emergency Management	120423 Emergency Management
School of Marxism		030500 Marxism Theory	030500 Marxism Theory
School of Foreign Studies	English①/② ③		
School of Architecture & Design	Architecture (5 years) ②③④	081300 Architecture	081300 Architecture
	Industrial Design②③④	083300 Urban and Rural Planning	
	Environmental Design①/② ③	140300 Design	
	Urban and Rural Planning (5 years) ②③④		
*School of Humanities and Arts	Chinese Language and Literature③		
	Internet and New Media①/② ③		
School of Sports	Musicology①/② ③		
	Sports Training①/② ③	040300 Sports Science	
State Key Laboratory of Intelligent Transportation and Healthy Operation and Maintenance of Deep Underground Engineering	Social Sports Instruction and Administration①/② ③		
			080100 Mechanics
			081400 Civil Engineering

Programs Taught in English

Departments	Undergraduate Programs (4 years)	Master Programs (3 years)	PhD Programs (4 years)
School of Mines	Mining Engineering③④	081901 Mining Engineering	081900 Mining Engineering
School of Safety Engineering	Safety Engineering③④	083700 Safety Science and Engineering	083700 Safety Science and Engineering
School of Mechanics & Civil Engineering		081400 Civil Engineering	
School of Mechanical and Electrical Engineering	Mechanical Engineering③④	080200 Mechanical Engineering	080200 Mechanical Engineering

		080700 Power Engineering and Engineering Thermophysics	

Chinese Training Program (one academic year)

Elementary Class (Zero foundation - HSK 4, CSCA)	Intermediate Class* (HSK 3 foundation - HSK 4, CSCA)
--	--

*Applicants for the intermediate class must provide a valid HSK Level 3 certificate. Conditional admission is granted to those who pass the Chinese proficiency test given after enrollment.

No. 41

in China (QS World University Rankings 2026)

No.1

in China for Mining Engineering, Safety Science and Engineering.

ESI top 1%

in 3 Disciplines: Engineering Science, Earth Science, Environmental & Ecological Science.

ESI top 1%

in 10 Disciplines total, including Materials Science, Chemistry, Mathematics, Computer Science, Social Sciences(general), Physics, and Biology & Biochemistry.

Founded in

1909

Xuzhou

CUMT is located in Xuzhou, the northernmost city in Jiangsu province.

History

With 5,000 years of history, Xuzhou is the birthplace of Han Dynasty culture and is home to a wealth of cultural heritage sites and famous historical monuments.

Traffic

The city's modern transportation network includes 2 high-speed railway stations, 1 airport, and 4 metro lines. It takes only 2.5 hours from Xuzhou to Beijing or Shanghai by high-speed train.

Life

With its excellent infrastructure and low cost of living, Xuzhou has been named China's "Happiest City" 5 times, making it the only city to have received this honor so many times.

XUZHOU
